Treasurer O’Dorisio asked how the maintenance is being coordinated among the various entities. Mr. Batchelor and Ms. Reis indicated that the City and County will work through this via separate arrangements on a case by case basis.

Mr. Johnson indicated that once assets are dedicated to the City or County, there is a public improvement inspection process. There is a one year warranty period until other entities take control of assets and all maintenance of assets.

7. Financial Matters

A. Presentation, discussion and possible action concerning financial statements

Mr. Gonzales reviewed the July 31st financial statements with the Board. He discussed the projected administrative fees budgeted for 2019 and noted the total amount should come in under budget if July is representative of how we move through the remainder of the year. He indicated that to the extent possible, consultants will allocate time spent on a project basis for capital projects in order to more accurately capture how time is spent. It was noted that may not always be possible, but all consultants will attempt to do so as practical.

Upon a motion duly made by Director Tedesco, seconded by Treasurer O’Dorisio, and upon vote unanimously carried, the Board accepted the July 31, 2019 financial statements.

B. Presentation, discussion and possible action on Claims Payable in the amount of $29,722.20

A. Authority Manager Report

No report.

B. Discussion and possible action concerning matters presented by Authority Manager

D. Review AACMD Proposed Schedule for AACMD and ARTA meeting dates through December 31, 2019

Mr. George asked that we coordinate closely with AACMD for the November and December meetings to accommodate the holidays. Mr. George also reviewed the budget schedule noting the timing of the mill levy certification. President Hopper suggested dates to eliminate and those to keep in September and October.

The September meeting will be in Adams County and the October meetings will be at the City of Aurora. Mr. Batchelor and Ms. Reis indicated they prefer rotating meeting locations by month as opposed to meeting dates in order to more equitably distribute staff travel time. The Board concurred with their recommendation.

The Board determined to cancel the September 4th, September 11th and September 18th meetings and to keep the September 25th meeting on the calendar, to be held at Adams County.
The Board determined to keep the October 2nd, October 23rd and October 30th meetings on the calendar. The October 23rd meeting will be a public hearing to adopt the 2020 budget.
